

# C.V.

## **Personal Data:**

Name: Suzan Moustafa Hazzaa.  
Date and place of birth: 4 September 1971, Shebin El-Kom, Menoufia, Egypt  
Egyptian.  
Nationality: Married.  
Marital status: Assistant professor of Physiology.  
Current position: Physiology Department, Faculty of Medicine  
Address of work: Menoufia university.  
Shebin El-Kom, Menoufia.  
Address of home: Of home 0020482194357.  
Telephone: Mobile 00201007196765.

Email address s\_hazzaa@yahoo.com  
suzanhazzaa@gmail.com.

Languages: Mother language: Arabic  
Foreign language: English.

Computer skills ICDL

## **Education:**

**M.D. degree in human physiology (2001:2006):** Faculty of medicine Menoufia university, Egypt. *Project:* Effect of swimming exercise on some aspects of carbohydrate and lipid metabolism in rats exposed to crowding stress.

**MSC in Human Physiology (1996:2001):** Faculty of medicine Menoufia university, Egypt. *Project:* The effect of zinc on cardiac performance and some blood parameters in diabetic male rats.

**Bachelor of Medicine and Surgery (M.B.B.ch.) (1994):** Faculty of Medicine Menoufia university, Egypt.

### **Employment history**

Intern.	Menoufia university hospital.	Sep.1994-1995
Resident	In ministry of health, Egypt.	1995 -1996
Demonstrator/ physiology	Physiology department Faculty of Medicine Menoufia university	1996 - 2001
Assistant lecturer/physiology	Physiology department Faculty of Medicine Menoufia university	2001-2006
Lecturer/physiology	Physiology department Faculty of Medicine Menoufia university	2006
Lecturer/physiology	Physiology department Faculty of Medicine Omar El-Mokhtar university Albeida/ Lybia	Oct 2007- Sept.2008
Lecturer/physiology	Physiology department Faculty of Medicine Jazan university, Saudia Arabia.	Oct. 2009- Sept. 2011
Assistant professor	Physiology department Faculty of Medicine Menoufia university	Jan 2016 until now

### **Teaching experience:**

1. Practical course of Human Physiology and Biophysics for undergraduate medical, nursing, pharmacy and applied medical science students.
2. Tutorial classes and lectures of human physiology for undergraduate and postgraduate students.
3. Lectures of human physiology for master programs of physiology.
4. Participant in Examinations committee.

### **Attendance in: Strategic studies, Faculty and leaderships development center in menoufiya university**

Medical education and human resources development center, Faculty of medicine, Menoufia university
15. How to make tutorial 22/2/2017 Medical education and human resources development center, Faculty of medicine, Menoufia university
16. USMLE orientation course 13/9/2018 Medical education and human resources development center, Faculty of medicine, Menoufia university

## **Attendance in national and international conferences**

1. E-Medicine, medical education & research. 9-11/ May 2006  
13<sup>th</sup> Annual conference faculty of medicine – Menoufia university
2. Role of stem cells in medical fields. 29/ 4/ 2009  
16<sup>th</sup> Annual conference faculty of medicine – Menoufia university
3. Saudi International Medical Education Conference (SIMEC). 6-8/ 4/2010  
Faculty of medicine Jazan university
4. Quality of medical education. 13/5/2012  
19<sup>th</sup> Annual conference, faculty of medicine – Menoufia university.
5. International congress of the African association of physiological sciences (AAPS). 3-5/9/2012  
6<sup>th</sup> international congress of African association, held in Suez canal university, Ismailia.
6. Stress and immunity 27& 28 /3/2013  
The 7<sup>th</sup> annual scientific conference of medical physiology department. Mansoura university.
7. Quality of health services in university hospitals. 26/5/2013  
The 20<sup>th</sup> scientific annual conference, faculty of medicine – Menoufia university.
