Department of Chemistry Council — Official Recommendation Summary

Session Chair: Dr. Faisal bin Khuwaishan Al-Qathami — Head of Department

Session Number: 16

Day: Monday

Date: 20 Rajab 1446 AH — Corresponding to 20 January 2025

Apologies: None

Absentees: Dr. Faisal Khuwayshan L Algethami

To: His Excellency, the Dean of the College of Science

May Allah protect him

Peace, mercy, and blessings of Allah be upon you,

We are pleased to submit to Your Excellency, for your kind review and to take any action you deem appropriate, the following

Subject: Mechanism for Conducting Laboratory Experiments and Regulating the Maximum Number of Students per Experiment

Recommendation: Based on the requirements and recommendations of the Accreditation Commission of ASIIN, and in accordance with the external evaluator's feedback, the division of students within each section into groups of no more than three students was discussed to facilitate laboratory experiments. Following the discussion, the Department Council issued Recommendation No. (1446-16-5) approving this mechanism, to be implemented starting from the third academic trimester of the 2024-2025 academic year.

We kindly ask Your Excellency to take the necessary measures to ensure its implementation.

With our sincere appreciation and respect,

Head of the Department of Chemistry

Dr. Faisal Khuwayshan L Algethami
