

CURRICULUM VITAE

PERSONAL DATA

Name	Areej Abdulaiz Abdullah Binsultan
Nationality	Saudi
Position	Lecturer
E-Mail	aabinsultan@imamu.edu.sa
Phone	

EDUCATION

Year	Academic Degree	Institution
1999-2002	Bachelor's Degree	College of Education, Princes Noura University
2005-2009	Master's Degree	Applied and computational Mathematics- Differential equations, Princes Noura University

WORK EXPERIENCE

Period	Position	Address
2003-2009	teacher	Ministry of Education
2009-2013	lecturer	Shaqra University
2013-now	lecturer	Imam Mohamed bin Saud University

RESEARCH INTERESTS

Critical behavior of fractional differential equations and applications

PUBLICATIONS

1. **On the critical behavior for time-fractional pseudo-parabolic-type equations with combined nonlinearities.** Areej Bin Sultan, Mohamed Jleli, Bessem Samet and Calogero Vetro.
2. **Nonexistence of Global Solutions to Time-Fractional Damped Wave Inequalities in Bounded Domains with a Singular Potential on the Boundary.** Areej Bin Sultan , Mohamed Jleli and Bessem Samet.
3. **On a system of wave inequalities with inverse-square potentials in an exterior domain.** Mohamed Jleli and Bessem Samet.
