

CURRICULUM VITAE

PERSONAL DATA

Name	YOUSSEF LAZAR
Nationality	France
Position	Assistant Professor
E-Mail	yalazer@imamu.edu.sa
Phone	05000264298

EDUCATION

Year	Academic Degree	Institution
2013	PhD	University of East Anglia-UK
2008	Msc	University Paris 6 UPMC - France
2004	Bsc	University Paris 12- France

WORK EXPERIENCE

Period	Position	Address
2015-now	Assistant Prof	IMSIU -Riyadh-KSA

RESEARCH INTERESTS

Number theory- Algebra - Ergodic Theory - Lie groups

PUBLICATIONS

1- On the density of S -adic integers near some projective G -varieties,
Annales Fennici Mathematici (2023).

2-Explicit solutions to the Oppenheim conjecture for indefinite ternary diagonal forms, Acta Arithmetica (2022).

3-Asymptotics of length frequencies for Coxeter groups,
Indian Journal of Pure and Applied Mathematics (joint with A. Aljouiee)(2021)

4-Dirac distributions related to sums of independent nonidentically uniform random variables,
Brazilian journal of Probability and Statistics (joint with B. Almutairi)(2021).

5- Simultaneous diophantine inequalities involving one quadratic and one linear form at S -integral points,
Journal of Number Theory (2017).
