

Imam Mohammed Ibn Saud Islamic
University Excellence Award
Second Edition 2024

Distinguished Winners

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

2024 م

INTRODUCTION

As part of Imam Mohammad Ibn Saud Islamic University's 2025 strategy, which aims to achieve institutional excellence, the university has started motivating its staff towards further excellence and innovation in performance. This is accomplished by creating competitive opportunities and encouraging outstanding performance among its employees to improve the work environment, enhance the educational process, increase the quality and quantity of research outputs, and promote the dissemination of academic output. All of these efforts aim to enhance the university's reputation and standing in local, regional, and international platforms.

In order to achieve these objectives, the university launched the "IMSIU Excellence Award" on the 20th of March, 2023. The award aims to serve as a motivating model for enhanced competitiveness, innovation, and excellence in Saudi universities. It seeks to recognize and encourage excellence and creativity within the university, honoring outstanding individuals, academic and administrative units in the fields of education, academic research, administrative and institutional performance. Additionally, it aims to promote a culture of quality and excellence, in alignment with the university's mission and strategic goals.

SPEECH OF HE

In the Name of Allah, Most Gracious, Most Merciful

Praise be to Allah and blessing and peace be upon our prophet Mohammed, his family and companions:

Based on the university's strategic plan and its visionary direction towards supporting excellence in all fields and at all levels, and in order to sustain the continuous development of the university and its employees, establish a culture of institutional excellence, and encourage administrative creativity, the award was launched with its four branches; with the aim of spreading positive culture, finding competitive opportunities, supporting excellence among its employees and educational units, encouraging institutional performance and distinguished practices, and highlighting its leading models in the quality of administrative and academic performance, to be a source of inspiration for further giving, creativity and excellence to ensure the university's presence in global competitiveness indicators.

In this regard, I express my appreciation and gratitude for the commitment of the university's entities and its employees, including the academic and administrative staff, researchers, and students, to positive participation and their aspiration to achieve excellence and win the award. I also congratulate the winners on this recognition and emphasize that this honor is an extension of an institutional methodology where the university aligns its academic excellence with the efficiency of its administrative performance. This alignment opens new horizons for further accomplishments and successes that contribute to the quality of institutional and programmatic performance, enhance the work environment, and improve the services provided by the university to the local and global community. Pursuing high aspirations and facing greater expectations, there is confidence in the university and its staff to achieve noble goals.

In conclusion, I am honored to express my deepest gratitude and profound appreciation to the custodian of the Two Holy Mosques, King Salman bin Abdulaziz Al Saud - may Allah protect him for his unwavering support and continuous efforts in the field of education, as well as his dedication to the development of the Saudi individual and his investment in his potentials and capabilities. I also extend my thanks to His Royal Highness, Crown Prince, the Prime Minister of Saudi Arabia, Prince Mohammed bin Salman Al Saud - may Allah protect him, For the support and follow-up he provides in developing our nation, improving the quality of life, and ensuring the welfare of its citizens

Moreover, I would like to express my gratitude to H.E. the Minister of Education Yousef A. Albenyan for his sponsorship of the award ceremony, and also for his sincere efforts in supporting the education system, encouraging creativity and innovation, and improving the performance of education staff. Our heartfelt appreciation is extended to the official sponsor of the award ceremony Alinma Bank and to the colleagues involved in this award, its committees, and secretariat, as well as to everyone who played a vital role in the success of this event and its impressive execution. Your presence is truly valued.

We ask Allah to grant us success in serving our religion, our leadership, and our country, and until we meet again for a distinguished university achievement.

May peace and the Mercy of Allah be upon you.

the president of the university

Prof. Ahmed S. Alaameri

SPEECH OF THE SECRETARIAT OF IMSIU EXCELLENCE AWARD

In the Name of Allah, the Most Gracious, the Most Merciful
Praise be to Allah and blessing and peace be upon our
prophet Mohammed, his family and companions:

The sixth strategic goal of our esteemed university is to "attain institutional excellence through efficient and effective performance". The importance of the IMSIU Excellence Award is its ability to inspire university staff across administrative, educational, and research sectors, promoting excellence in performance and commitment to their roles. Additionally, it motivates administrative and educational units to achieve institutional excellence by fulfilling the accreditation criteria set by the Education and Training Evaluation Commission.

The award has also received support from the University President, who chairs the higher committee for the award, directing its progress throughout all phases. This includes developing the criteria for the second edition based on feedback and survey analysis from the first edition, leading up to the approval of the nomination results.

In conclusion, the Award Secretariat extends its congratulations to the winners also expresses gratitude to the Minister of Education for his generous sponsorship of the award ceremony for its second edition. This encourages us to enhance the outcomes of the award in future editions. We also commend and appreciate the unwavering support and diligent follow-up from the President of the University.

Gratitude is extended to the members of the higher committee, the branch committees, the award's secretariat, and the organizing committee for the ceremony, along with everyone involved in organizing this award and contributing to the success of this edition. Preparations for the next edition are already in progress, which includes the creation of new branches.

DISTINGUISHED WINNERS' SPEECH

Prof. Mohammed M. Khader

I am grateful to Allah who has helped, and given me strength, to pursue my career in research path at the university up to this point with honor. I 'd like to extend my sincere thanks and gratitude to the University President and the University Vice-President for Scientific Research for this recognition. I am also grateful to all members of the participating committees involved in the award. I am honored to have received the first place in the category of research output abundance under the Research Excellence award. It is a great honor to receive this award, which reflects the hard work and effort dedicated to serve the university in terms of research field. I ask Allah to that I continue to meet the expectations placed upon me.

Prof. Nader A. Al-Trabulsi

I thank Imam Mohammad Ibn Saud Islamic University for this precious reward that is engraved in my heart. I first and foremost thank Allah, then I dedicate this to the soul of my father, to my mother, my wife, and my children. I also extended my best regards to everyone involved in this blessed award and I congratulate them on the success of this wonderful ceremony in particular His Excellency the President of the university, his guests, may Allah bestow his blessings upon their every effort.

Prof. Omar A. Al-Mahmoud

I am grateful to Allah for this achievement. It is an honor at the university's Excellence Ceremony by receiving the Best Authored Book Award. I also sincerely appreciate the effort of our great university for its continuous initiatives and I want to extend my sincere gratitude for motivating its members to continue on the path and reap more fruits. These efforts contribute to enhancing the continuous progress of the university and its global competitiveness in the fields of scientific research and authorship.

Prof. Khaled H. Ahmed

I extend my highest expressions of thanks and appreciation to His Excellency the President of Imam University for honoring me on the occasion of receiving the Research Excellence Award. This recognition is not only an appreciation for our efforts, but also encouragement for us to continue working and researching in our fields. I would also like to express my gratitude to His Excellency the President for the continuous support he has provided, which has had a significant impact on achieving this accomplishment.

DISTINGUISHED WINNERS' SPEECH

Dr.Abrar E. Bukhari

I am very pleased and proud after receiving the first place in the Research Excellence Award in the category of the Best Translated Book. This award represents the culmination of continuous efforts, which I would not have been able to reach without the grace of Allah first and then the prayers and the support of parents and loved ones. I would like to extend my highest thanks to the President of Imam Mohammad Ibn Saud Islamic University, H.E. Prof. Ahmed Alaameri, and the Deanship of Scientific Research for these initiatives that sharpen the efforts of faculty members for excellence, achievement and contribution.

Dr. Mohammed A. Khashan

I am honored to take this opportunity to express my deep thanks and appreciation to the President H.E. Prof. Ahmed Alaameri and to all those who contributed to the IMSIU Excellence Award for offering me this opportunity to apply for the award. Winning and receiving this recognition is a big motivation for me toward excellence in the academic and research fields and a guiding light that I will always follow, with my sincere thanks and appreciation.

Dr. Ehab A. Abdulrahman

I am pleased of winning IMSIU Award for Research Excellence (Research Output Quality category). It represents the culmination of great efforts and continuous dedication to the pursuit of knowledge and education. I would like also to express my sincere appreciation and gratitude to the Custodian of the Two Holy Mosques King Salman bin Abdulaziz and His Crown Prince Mohammed bin Salman – may Allah protect them – for their support to science and scientists and their honorable sponsorship of development and innovation in the Kingdom of Saudi Arabia.

Dr.Iman A. Al-Kurdi

All praise is due to Allah, and thanks to Allah, the Lord of all worlds, first for this success. I would like to extend my sincere gratitude to IMSIU and the College of Medicine for their continuous support, which contributed to my receiving the Excellence in Education Award. Winning this award is an honor for an educational journey filled with passion and dedication to serving students. This achievement only reinforces my belief in the power of education as a tool for change and inspiration. I am proud and responsible to continue doing my best and to motivate future generations to strive for excellence.

DISTINGUISHED WINNERS' SPEECH

Dr. Hanan F. Akhadr

I thank His Excellency the President of the University and all those in charge of the IMSIU Excellence Award for this honor and recognition. I am very pleased to receive the third place in the field of Excellence in Education, and I dedicate this achievement to my beloved parents, my husband and companion and the apple of my eye, my sons and daughters.

Dr. Manar M. Almana

I extend my sincere thanks and gratitude to IMSIU for honoring me with the first place in the Award for Excellence in Education and the first place in Research Excellence Award in the category of Best Translated Book. This recognition has provided me with motivation to pursue excellence in my academic and research career, strive for further successes, and enhance the university's mission and global ranking. I extend my gratitude to all who contributed to this achievement.

Dr. Wael A. Hamrit

Praise be to Allah Who has granted us this achievement. It is a matter of pride and honor to be recognized during the second edition of the Research Excellence Award. I would like to express my gratitude and appreciation to everyone involved in encouraging and supporting scientific research at IMSIU. I hope that this recognition will help foster further support in encouraging members to strive for the highest levels of success, excellence, and brilliance.

Dr. Mohammed A. Al-Mansour

Winning this award marks a significant milestone that I cherish and take pride in at every level. It's a result of Allah's grace first and foremost, followed by the support of my late parents – may Allah have mercy on them – as well as the encouragement of my entire family. We are also blessed with various resources provided by our wonderful government to support science and its scholars. I'm grateful to the university for this amazing gesture, and may Allah bless the efforts and make them fruitful

DISTINGUISHED WINNERS' SPEECH

Ms. Raghad M. Al-Dosari

All praise is due to Allah who granted me success and made the paths to achievement easy for me. I am honored to receive this award, which I consider a recognition of dedication, commitment, and sincerity in performing my work. This is also a culmination of the efforts of all my colleagues in the General Directorate of Library Affairs. I ask Allah that this recognition motivates me to contribute more and continue the journey of progress and development that serves the goals of our university.

I would like to express my heartfelt gratitude to the university leadership and to all those who honored me with their trust and support. I pray that we continue to work together in good faith to fulfill the aspirations of our great country.

Ms. Nouf A. Bin Saif

All praise be to Allah, I am very pleased to receive the second place of the Administrative Excellence Award –the second-level leaders, and I sincerely thank His Excellency the President of the University, the Vice-President for Institutional Development and Community Engagement, the Director of the General Directorate of Social Responsibility and Community Service, and the members of the Award Committee. I ask Allah to grant success to us all in what pleases Him and to achieve the aspirations of our country's leaders, and to move our university towards excellence and success.

Mr. Sultan H. Al-Bugumi

The Excellence Award, in its second year, serves as a motivation for those in administrative and supervisory roles, aligning with the goals of Imam Mohammad Ibn Saud Islamic University's Vision 2025. I extend my deepest gratitude to the main supporter of this initiative, H.E. Prof. Ahmed S. Alaameri, the University President and to everyone involved in overseeing this award.

Ms. Yasmin A. Al-Momen

The award's targeting of all those who seek to perfect and develop their work sends a clear message to everyone that every effort will be recognized. It gives us the winners, reassurance that we are on the right path in line with the university's expectations of its employees.

I extend my deepest thanks and appreciation to our distinguished university.
