

## Level Eight

### Final Year Project

Course Code	Course Num.	Course Name	Credit Hours	Lec	Lab	Tut	Prerequisites
PHY	498	Final Year Project	2	0	2	1	

The project is intended to provide a supervised and managed context in which the student can demonstrate the ability to undertake and produce a substantial piece of work to an academic standard. It is an opportunity for the student to demonstrate academic skills and professional skills.

The thesis purpose is to demonstrate the student's ability to conduct investigation, analysis, specification, documentation, communication and critical evaluation activities in both an academic and a practical context.
